At Netherstowe House we care deeply about the quality of our food and the quality of hospitality you experience. Real quality, we believe, is great tasting local food that is produced with consideration for the environment, care for animal welfare and respect for people who work with us to supply it. Our fish is sourced through sustainable waters and we select many of our suppliers from local producers and providers where possible, respecting seasonality and supply, as well as National and International specialists to ensure we offer our guests the best
